2. What We Do

How we operate Program A

- ◆ UMAP IS call for participation to Pledged institutions 4 times a year.
- ◆ Participating institutions offer their program through UMAP Student Connection Online (USCO) System. Participating institutions nominate their students to other participating institutions (two persons per semester).
- ◆ If an institution accepts more than two students, the institution is able to send an equal number of excess students from the following semester (Quota system).
- ◆ Tuition fee should be waived by host institutions.
- ◆ We recommend the use of UMAP Credit Transfer Scheme (UCTS).
